Dear Sir,

I take this opportunity to introduce Red Swastik Society, an International, Social, Charitable, non-secretarian, non-religious and non-political movement, working in the field of health and disaster management.

It is registered on 27th March 2001, at Mumbai as per above registration.Swastik represents an indigenous and very auspicious symbol (meaning the well being of every one) and most magnanimous culture.

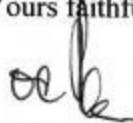

We are intending to have the District and State level branches all over the country and overseas too, to reach the underprivileged. Accordingly we are planning to launch the chapter of this society for District Beed by associating and seeking help from the like-minded people in this noble cause & also co-ordinate the activities for entire Beed distt.

We shall be grateful for coordinating the activities in your State or District. You are requested to form the ad-hoc committee consisting of office bearers, viz, President, Vice President, Secretary, Joint Secretary, Treasurer, vide rule No.4 (1) as per the constitution (copy enclosed) after enrollment of 25 likeminded persons, and send to us a proposal for seeking permission for approval to the Managing Committee and for opening of bank a/c.

May I appeal to you to extend your co-operation and goodwill to make this dream successful and popularize this symbol world over.

Brouchers & copies (4) of a constitution are appended for ready reference. A kind word as a feedback is anticipated.

Thanking you,
With regards,
In the service of humanity,
Yours faithfully,

(T.S.BHAL) 24/2009
